

# Luis G. Alvarez Jr. Rewards for Justice Inc.

Serving the Community of Lodi and Surrounding Areas  
Seeking information for unsolved violent crimes

My Name is Leticia Galvan. I am the mother of Luis G. Alvarez Jr. (Chachi). My son was murdered on April 2, 2016 at the age of 30. Through our efforts and the efforts of the Lodi Police Department and Detectives along with the District Attorneys of San Joaquin County, we were able to receive some justice in my son's murder. His killer was convicted and sentenced to 9 years in State Prison.

**It's that time of year that we call on you, our community, to help!!!**

At this present time we are in communication with Lodi Police Dept. and the Stockton D.A.'s Office in making monies available to offer rewards for current and cold cases. In August of 2020 we put up our first reward of four thousand dollar (\$4,000.00) towards a cold case that occurred in Lodi, CA in January 2018

We are an established nonprofit organization with the goal of raising funds through donations and our annual Benefit Dinner. The funds will be used to assist our local Law Enforcement Agencies in offering a higher reward that will lead to the arrest and conviction of the perpetrator(s). We believe if we offer larger rewards, witnesses will be more willing to come forward.

Our efforts continue in preventing this from happening to any other family in our community. Everyone deserves justice and we will continue fighting for this right!

**Mission Statement** – Raise funds and bring awareness to unsolved homicides in an effort to offer larger rewards compensation with the hope that larger rewards will encourage witnesses to come forward with information leading to the arrest and conviction of these criminals.

Your donations and attendance are greatly appreciated!
